

## Northwest Oklahoma Alliance Application

The Northwest Oklahoma Alliance (NwOA) represents counties in the northwest quadrant of the state, and facilitates the efforts of regional leaders to promote economic and community development.

NwOA organizes several events each year to provide community and state leaders the opportunity for networking and education on issues that directly impact the northwest area.

In addition to the quarterly luncheons held in Woodward, NwOA's premier event is its annual legislative reception at the Oklahoma History Center. This event boasts over 400 people in attendance, including our Governor and Lieutenant Governor, and it shares a compelling story of the economic strength of Northwest Oklahoma.
